Terms & Conditions FCL export

All our business activities performed, unless differently agreed in writing, are subject to the Logistics Service Conditions (LSC2014): www.btslogistics.com/wp-content/uploads/2022/01/LSV-2014-English.pdf

Rates

- All rates are based on full container loads (FCL), per standard container.
- Out of Gauge (OOG) Cargo upon request only.
- The rates provided are based on shipments managed by our own carriers or agents.
- Rates valid for non-restricted, non-IMO cargo only unless otherwise stated in our quotation.
- All costs such as, but not limited to, port charges, transfer fees, demurrage, detention and storage will be charged.
- Unless otherwise stated this quotation does not include customs formalities, duties, local taxes, demurrage, detention, warehouse rent and other possible third party charges.
- If applicable, a bond provision of 2% will be charged on duties, taxes and VAT.
- All destination charges are for receiver's account.
- We reserve the right to adjust our tariffs immediately upon carriers adjustments without prior notice.
- Surcharges can be amended and implemented variable at the time of shipment (vatos) without prior notice.
- We reserve the right to charge waiting hours because of force majeure.
- Courier services upon request.
- Payment in advance, unless otherwise specified.
- Rates excluding VAT.

Cargo Requirements

- Shipper/supplier is responsible for suitable packaging where fumigation is mandatory.
- All cargo must be seaworthy packed and stackable.
- All containers have to be delivered with High Security Seals attached.
- Personal effects/household goods upon request. Furthermore, for all shipments with (used) personal effects a packing list (with value) and copy passport is required upon booking.

Trucking & Container Handling

- Shipper is responsible for loading and securing of the cargo in the container.
- Rates based on transportation on normal business days (Monday – Friday).
- The loading address must be easily accessible to the carrier and its trucking equipment.
- Subject to space, equipment, acceptance and availability of the trucking company.
- Fuel surcharge is VATOS and will be adjusted.

Rules & Regulations

- Dutiable cargo, antiques, alcohol, carbon (both activated and non-activated), charcoal, (lithium) batteries, spirits and/or (raw) tobacco, foodstuffs, veterinary & agricultural products upon request only. Any liability for any loss/damage and/or all other costs involved if these commodities are booked but not advised as such, is explicitly rejected. Any misdeclaration can cause fines upto EUR 15.000,00, which will be charged.
- IMO cargo only upon request and subject to approval and/or compatibility by shipping line/carrier.
- The shipper is responsible for ensuring compliance with regulations at both origin and destination, including weight distribution and stowage. Overweight/incorrectly stowed containers will incur penalties and extra charges.
- In case containers are not collected within the specified time limit by consignee, they will be moved to a government auction depot, and all associated charges will be invoiced.

Insurance

- Cargo is not insured unless requested in writing and confirmed by our insurer.
- For taking out insurance full details of any cargo and value(s) must be provided.

All our offers, agreements, activities, and contracts relating to logistic activities are subject to the Logistics Service Conditions 2014 (LSC2014). The applicability of other conditions is explicitly rejected. All our offers are given on behalf of the company within the VBE-MSA Group that will perform the services which company will also be the party to the contract and which company will invoice the services.
